

ALL CALL MESSENGER SYSTEM

If you wish your name to be taken off the ALL CALL MESSENGER SYSTEM please be aware that you will not receive any all call contacts. Calls that you would not get may be reminders about testing, a bus accident, a legal issue for a lock down or fire, or a building specific call that your child attends. Please think carefully about removing your name from the list. Early morning calls can be a bit of an inconvenience but there are other reasons to remain on the list. Consider your options carefully.
