Dear Parent/Guardian of Next Year's Juniors and Seniors:

In 1991, Governor Casey signed into law Act 10 which facilitates the release of directory information to the armed services. To comply with the provisions of this act, we will be compiling a directory list of our high school seniors.

The Pennsylvania Interservice Recruiting Committee (IRC) will be contacting my office by the end of October requesting the release of this senior directory.

This directory shall include, but not be limited to, a list of senior male and female students by name, home address, and, if published, telephone numbers.

As parents/guardians of a future senior, you have the right to ask that your son's or daughter's name be excluded from the list prior to its release.

Therefore, should you desire to have your son's or daughter's name excluded, I must have your written request in my office on or before **Friday, May 25, 2007**.

I thank you in advance for your cooperation in this matter.

Very truly yours,

Todd M. Gombos
Principal
