What is AblePay Health?

AblePay is a program that can save you money on your deductible/coinsurance (up to 13%) along with helping you if you ever have questions/concerns on a medical bill. AblePay is offered at **NO-COST (no enrollment/monthly/annual fees)** to you by Saucon Valley School District and it also provides flexible payment terms for any of your deductible/coinsurance expenses.

One of our employees has saved over \$270 on medical bills through this program!

How do I get started?

1. Visit the website (www.ablepayhealth.com) and click “Enroll Now”
2. Enter your demographic Information and put “Saucon Valley School District” as your employer
3. Add your family members that you’ll be responsible for (they can have a different insurance plan)
4. Add your default payment term and payment method(s)
5. Receive your AblePay card in the mail and keep with insurance card

When do I use AblePay?

AblePay has contracts with Lehigh Valley Health Network (LVHN), St. Luke’s University Health Network, Coordinated Health, Grand View Health, Penn Medicine, and Main Line Health (all hospitals and employed doctors in the physician groups). AblePay is also having success in getting discounts for their members at other providers throughout Pennsylvania and New Jersey – try and use the card everywhere!

How do I use AblePay?

Show your AblePay card along with your insurance card to medical providers. They will process your AblePay card like secondary insurance. After your service is complete and your insurance company processes your claim, your provider will bill AblePay. You will get an email from AblePay notifying you that we received your bill and the amount you owe (after your insurance has paid their portion). You will have 5 days to decide if you would like to change your payment method and terms to one of the options below. If you do nothing, after 5 days the first payment will be pulled from your default payment method based on the term you originally chose.
