Call to Order 7:00 pm

I. Approval of Minutes from May 30, 2018

Beth Guarriello would like the record to reflect that multiple types of schedules were discussed. She leans towards an A/B alternating schedule as her preference, but felt it was important to have a process and buy-in from the teachers.

II. Discussion of Agenda Items:

Extra-Duty Positions

This topic was to address both the ES spring musical and the HS fall drama. Bob Kachmar discussed the fact that there are many clubs that go unfunded. The overall conclusion of those attending was that the aforementioned activities deserve separate consideration from other unfunded clubs due to the significance of these productions. Craig Butler was tasked with bringing back a recommendation regarding funding and where the money would come from. Craig Butler reminded the committee and attendees that this is about the position, not the teacher.

Start/ End Times for School

The committee asked Craig Butler to bring back information from area schools regarding start and end times as well as actual instruction time.

III. New Business:

Theresa Andreucci is concerned with the remediation time at the high school. She is also concerned that we no longer have a 3:00 pm bus available.

IV. Meeting Adjourned 8:30 pm
